Bonita Springs Charter School Students Compete for Guinness Book of World Records *Sport Stacking World Record Sought*

BONITA SPRINGS, Fla. (November 10, 2009) - Up they go and down they come. With lightning speed and nimble fingers, nearly 400 students at [Bonita Springs Charter School](#) will compete in the [World Sport Stacking Association's](#) (WSSA) attempt to beat the current record of 22,560 sports stackers in multiple locations in one day. In order to qualify, each person must stack for 30 minutes with all students having an opportunity to participate.

The sport involves stacking specially designed cups up into pyramids, then down into a single cup. With varying patterns, competitors race the clock to complete a sequence of stacks. According to the WSSA, the governing body for this sport, sports stacking develops a wide variety of physical skills such as hand-eye coordination, quickness and focus as well as self confidence, teamwork and good sportsmanship.

Like all sports, this one includes an extensive list of strict rules and regulations set forth by the WSSA. Good sportsmanship is required as well as steady hands and speed. Students at Bonita Springs Charter School have been practicing in their physical education classes and have learned the skills needed. On November 12, there will be 12 stations set up in the front playground of the school at which students will be moving around for 30 minutes.

Best times for spectators will be from 7:25 a.m. to 12 noon, then from 12:30 to 5 p.m. Visitors are welcome, but must check in at the front desk. Proper I.D. will be required.

Bonita Springs Charter School is part of the Charter Schools USA Inc. (CSUSA) family of schools. CSUSA is one of the nation's leading charter school management companies, serving kindergarten through 12th grade. CSUSA provides comprehensive management services to corporations, government entities and non-profit organizations. CSUSA schools are individually developed to meet the unique needs and requirements of the community. CSUSA educational advantages include integrated technology, parental involvement contracts, student uniforms, enforced discipline policies, highly qualified and motivated staff, community focus and high academic performance.
